

## Web Site Management Services Not-For-Profits 20% off all prices

Outsourcing the management and maintenance of your site is the most cost effective way to manage your Web site. This will substantially reduce your costs by eliminating the need to hire full time Web Specialists, Programmers and Graphics Designers. We offer affordable hourly and retainer based plans. Each plan is designed around your specific needs. Below are our retainer based plans. Please note custom and hourly plans are available.

- ^ Graphic design
- ^ Content update
- ^ Programming
- ^ Flash design
- ^ Link editing/addition
